I'm a highly skilled web designer and developer with 4 years of experience, seeking a challenging position in a dynamic and innovative company. My expertise includes Laravel, OOP, PHP, RESTful API, AJAX, jQuery, HTML, CSS, Sass, Bootstrap, Tailwind CSS and WordPress. Committed to continuous learning and passionate about delivering exceptional results, I'm excited about contributing to new projects and challenges, creating visually stunning and functional websites.

WORK EXPERIENCES

Web Developer

I have gained extensive experience working as a web developer across various online marketplaces as well as in local markets. I am passionate about my work and eager to contribute my skills to your team. Given the opportunity, I am committed to delivering my best and making a positive impact.

Technical Highlights

- Proficient in Laravel, leveraging Eloquent ORM, Blade templating, middleware, and advanced features to build secure and scalable web applications.
- Designed and implemented RESTful APIs in Laravel, ensuring secure, efficient, and scalable communication between client and server applications.
- Applied OOP principles (encapsulation, inheritance, polymorphism) for modular and maintainable code.
- Utilized PHP for backend development, including server-side scripting, database management, and front-end integration.

Website Maintenance

SoftMind Technologies | 2022 - 2023

- Enhanced website functionality, ensuring seamless user experiences.
- Collaborated on feature development to boost engagement.
- Optimized performance by analyzing website metrics.
- Resolved technical issues promptly to ensure smooth operations.

Web Designer

Design Tech Solutions | 2021 - 2022

- Worked as a Web Designer, contributing to various creative projects.
- Collaborated with teams to craft user-centric designs that met client expectations.
- Successfully delivered 40+ diverse projects for a high-profile client, maintaining a strong focus on quality and timely delivery.
- Gained invaluable experience, fostering professional growth and design expertise.
